YUPOBLUE

YUPOBlue is the ideal solution for commercial digital printing presses. With its increased resistance to scratching and improved ink-adhesion, YUPOBlue creates innovative possibilities for even the most challenging applications. YUPOBlue is designed and certified for HP Indigo presses, ensuring compatibility and smooth print runs.

USES

- Business cards
- Menus
- Signs
- Flyers
- Catalogues
- Brochures
- Photobooks

CHARACTERISTICS

- Certified for HP Indigo presses Series 2, 3, 4 & 5
- 100% waterproof
- Dimensionally stable
- Tear-resistant
- Scratch-proof
- Bright white
- No primer or coating required before printing

PLEASE NOTE

The use of a laminating varnish offers additional protection for extra-demanding applications.

Prior to actual production, please conduct tests to ensure the product suitability for the final application.

VERSION YUPOBLUE	THICKNESS µm	GRAMMAGE g/m ²	ROLLS mm × m	CORE mm	SHEETS mm × mm	UNIT per ream	PRINT METHODS
