

YUPO TAKO

STICKS TO FLAT SURFACES
WITHOUT ADHESIVE.

YUPO

YUPOTAKO XAD 1077

YUPOTAKO XAD 1076 BLOCKOUT

YUPOTAKO - A NEW TEMPTATION FOR THE CREATIVE APPETITE

Tako means octopus in Japanese. Because of its adhesive-free micro suction structure, YUPO Tako sticks to flat surfaces just like an octopus and leaves no sticky residue upon its removal. YUPOTako is reusable: simply clean the micro suction side with water if the adhesion is weakened by dust or dirt.

USES

- Stickers, Mousepads
- Promotional items
- Banners
- POP instructions
- Seasonal decorations
- Kids games
- Vending machine advertisements
- Caution labels

CHARACTERISTICS

- Easy to apply - no special handling required
- Removable and reusable
- No glue, no sticky residue
- Bubble-free
- No PVC - YUPOTako is environmentally friendly
- Variety of grades for different printing methods
