YUPOIML - ONE OF THE MOST SUSTAINABLE LABELING SOLUTIONS

In-mold labelling (IML) is a pre-decorating technique during which a label is placed in the open mold and becomes an integral part of the molded object when the bottle is blow molded or the container is injected. YUPOIML® becomes a part of the container, thereby resulting in superior performance.

SIGNIFICANT BENEFITS COST SAVINGS

- Weight of container can be reduced
- No additional decoration steps
- Fully integrated into the molding process without additional use of energy

DESIGN FLEXIBILITY & ADDED VALUE

- Opportunity for brand differentiation
- No-label look
- Terrific appearance
- Resists moisture, chemicals and fat
- High print quality

- No peeling, flagging or curling
- Anti-counterfeit properties

RESOURCE-SAVING

- Simplifies filling and packaging process
- Recyclable with bottle and cap
- YUPOIML® is pre-optimized and requires no adhesive coating

APPLICATIONS

- Dairy products, juice & beverage bottles
- Personal care and cosmetics
- Chemicals and cleaning products
- Automotive and industrial products, durables etc.

VERSION YUPOIML	LABEL TYPE	SURFACE TEXTURE	BLOW MOLDING	INJECTION MOLDING	THICKNESS µm	GRAMMAGE g/m ²	PRINT METHODS
AISX 105	white	textured / orange peel	HDPE	PP / PE	105	82,7	Conventional Offset, UV Offset, UV Flexo, Gravure, HP Indigo*
AIUX 105	white	smooth / no orange peel	HDPE	PP / PE	105	85,0	Conventional Offset, UV Offset, UV Flexo, Gravure, HP Indigo*
IZX 105	white	textured / orange peel	HDPE / PP	PP / PE	105	82,7	Conventional Offset, UV Offset, UV Flexo, Gravure, HP Indigo*
IDF 80	white	smooth / no orange peel	HDPE / PP	PP / PE	80	75,2	Conventional Offset, UV Offset, UV Flexo, Gravure, HP Indigo*
IDF 100	white	smooth / no orange peel	HDPE / PP	PP / PE	100	92,0	Conventional Offset, UV Offset, UV Flexo, Gravure, HP Indigo*
IHC 75	translucent	smooth / no orange peel	HDPE	PP / PE	75	69,0	Conventional Offset, UV Offset, UV Flexo, Gravure, HP Indigo*
ICF 85	clear	smooth / no orange peel	HDPE	PP / PE	85	75,6	Conventional Offset, UV Offset, UV Flexo, Gravure, HP Indigo*
UAIB 80	clear	smooth / no orange peel	HDPE	PP / PE	80	72,1	UV Flexo**, Gravure, HP Indigo*
LBR 80	white	smooth / no orange peel	n/a	PP / PE	80	66,0	Conventional Offset, UV Offset, UV Flexo, Gravure, HP Indigo*
LIX 070	white	smooth / no orange peel	n/a	PP / PE	70	61,5	Conventional Offset, UV Offset, UV Flexo, Gravure, HP Indigo*
LOX 075	white	smooth / orange peel	n/a	PP / PE	75	57,8	Conventional Offset, UV Offset, UV Flexo, Gravure, HP Indigo*

Different roll dimensions on request | *Requires HP Indigo compatible surface treatment prior to printing and a durable varnish over HP Indigo inks | **Requires corona treatment prior to printing
